**WHAT  
WE DO**

## ABOUT US

Lizard Printing is a screen-printing company established in 2016 that strives to provide high quality prints at affordable prices.

We print on a variety of materials and tailor every order to your specific needs.

Our South African trained Zambian team are highly experienced in the field and dedicated to providing a professional service with every print.

With screen printing, we offer a maximum print size of A3 with up to 8 colours per side of the garment. Print is available on the front, back and sleeves of the clothing.

## WHAT WE PRINT ON

- Round neck t-shirts in both 140gsm and 180gsm from size S to 3XL.
- V-neck female cut t-shirts in 180gsm from size XS to 3XL.
- Kids t-shirts in 180gsm from age 3 years to 10 years.
- Golf t-shirts – plain, striped and interlock from size S to 3XL.
- Hoodies from size S to 3XL.
- Worksuits.
- We offer a wide variety of colours for you to choose the perfect fit for your print.

## DESIGN

Our in-house design team prepare digital mock ups for our client's approval before every order goes ahead to ensure that all colours, logos sizes and placements are to spec.

No order will proceed to print until the client is 100% happy with the digital mockup which our team will follow exactly.

We can also come up with the designs for you if you're not sure what to print!

## LEAD TIME FOR ORDERS

At Lizard Printing we provide a quick turnaround for our clients' orders, whilst never compromising on quality.

**50 – 100 units:** delivery within 48 hours

**100 – 300 units:** delivery within 72 hours

**300 – 1000 units:** delivery within 3-5 days

**1000 units + :** delivery within 5-7 days

Should production lines not be busy the team is able to deliver within 24 hours up to 100 t-shirts.

A person wearing a white helmet and a dark long-sleeved shirt is riding a motorcycle on a city street. A large black delivery bag is mounted on the back of the motorcycle. The person is seen from behind, looking towards a busy street with cars, pedestrians, and buildings in the background. The scene is brightly lit, suggesting daytime.
